B.Sc Interior Design & Decor

RSD College (Affiliated to Bangalore City University)

In this comprehensive program, students embark on a journey to explore the art and science of creating inspiring spaces that blend functionality with aesthetic appeal. Through a dynamic curriculum curated by industry experts, students delve into a wide range of subjects including design theory, space planning, materials and finishes, furniture design, lighting, and sustainability.

At **Readrabbit School of Design**, we prioritise creativity, innovation, and excellence in education. Our faculty members are experienced professionals who are committed to nurturing the next generation of interior designers and decorators. Through personalised mentorship and guidance, students are empowered to unleash their creativity and develop their unique design identity.
